The West Allis Bowmen's Labor Day

Weekend, 3-D Safari has been held annually since 1958, quite possibly the first and oldest 3-D tournament in the world. W.A.B. trademark, homemade 3-D Safari Animal targets will be featured in this three day event. There will also be a bowhunter round featuring commercially manufactured 3-D targets in a designated wooded course

There are approximately 50 families with over 125 active archers in our club, with archery skills ranging from beginner and youth archers, to bow-hunters and professional archers. W.A.B. members are proud to be the "home club" of individuals who hold Wisconsin Field Archery Association WFAA State Championships and National Field Archery Association NFAA Sectional and National Championship titles. W.A.B. also has 5 NAA and/or NFAA certified instructors. W.A.B. is dedicated to the promotion of archery, and gives special attention to youth interested in our sport through the J.O.A.D. program and the use of our range to 4-H for their Archery programs.

ARCHERY OPEN TO THE PUBLIC!!! September 5th 6th & 7th 2020
