 - Single memberships do not include club rights for children.
 - Each "working" membership" is required to complete 25 work hours and attend 6 of 12 monthly meetings per membership year (May 1 through April 30).
 - Membership dues, required work hours and meeting requirements are prorated for those joining throughout the year.
 - Contact a club officer or committee chairperson to inquire about current work opportunities.
- Family member work hours contribute to the overall work hours completed, i.e., father and daughter each complete 1 hour cutting brush equals 2 club work hours.
- Five of the twenty-five work hours, at a minimum, must be at or in preparation for, the Labor Day weekend Safari Shoot which is the club's main fund raiser.
 - "Short" work hours are assessed a \$14 per hour fee upon membership renewal.
 - Hours worked can be recorded in the "Work Hour Log" located on the counter in the dining area.
 - Newsletters sent via email contain important information, rule changes, and updates.
 - New targets on the indoor range are available for a nominal fee.
- Please maintain our facilities by turning off all lights and fans, cleaning up any trash, closing the range doors and locking exterior doors upon departing. If you have any questions about membership, please do not hesitate to contact me at 414.745.4529
